The Principal,
Sakthi Polytechnic College
Sakthi Nagar 638315
Erode District

Dear Sir,

Warm greetings from **Agna Inc**, Coimbatore.

We are leading sourcing, consulting organization for foundries and software developers and simulation service providers for casting manufacturing.

We are providing sourcing and consultancy services for more than a dozen foundries in Coimbatore. We are also supporting SMART Foundry Consortium, a DST funded project under NIIST-CSIR, Trivandrum.

We are also doing simulation services for simulation of solidification and flow analysis of casting manufacturing using AUTOCAST X1 software. We are have 3D printers and providing proto typing services to the industry.

We are pleased to have a tie up / understanding with your esteemed college in the following areas,

1. Industrial visits
2. Inplant training
3. Projects for your students at our premises
4. Training of your students and staff in casting manufacturing and simulation
5. Supporting your staff in their research projects
6. Seminars and training programmes by our staff

We look forward to work with Sakthi Polytechnic in the above mentioned areas and other areas also as and when the need arises.

With warm wishes,

For AGNA INC
