

Sakthi Polytechnic College National Cadet Corps (NCC) Activity Report

Title: Anti-Drug Awareness Program

Date: 30.12.2025

Venue: Sakthi Polytechnic College

Number of NCC Cadets Participated: 38

Coordinator: Lt. C. Vijayaraj

As part of the NCC's commitment to social responsibility and youth empowerment, **Sakthi Polytechnic College** organized an **Anti-Drug Awareness Program** on **30th December 2025**. The event aimed to sensitize students about the dangers of drug abuse and the importance of making healthy life choices.

A total of **38 NCC cadets** actively participated in the program, taking part in various awareness-building activities and helping coordinate the event. The program included:

- Expert talks on the physical, psychological, and legal consequences of drug use
- Real-life stories from reformed individuals
- Group discussions and Q&A sessions
- A pledge-taking ceremony where cadets and students vowed to stay drug-free

The participation of NCC cadets added great value to the event, as they also helped in spreading the anti-drug message among peers and ensured the smooth conduct of the program. Their discipline, dedication, and enthusiasm were highly appreciated by all present.

This event reinforced the role of the NCC in building a drug-free and responsible youth community.
