## Blood Donation Awareness Program - "Recent Concepts in Transfusion Medicine"

**Date:** January 25, 2025

**Venue:** Auditorium, Sakthi Polytechnic College

**Organized By:** Department of Basic Engineering, Sakthi Polytechnic College, Sakthi Nagar, Erode-638315

**Coordinators:** Mr. M. Vikram & Mr. P. Panneerselvam

### Objective:

To raise awareness about the significance of blood donation and educate participants on recent advancements in transfusion medicine.

### Program Highlights:

- Traditional lighting of Kuthuvilakku by dignitaries.
- **Welcome Address:** Dr. R. Kannan emphasized the need for collective efforts in blood donation.
- **Special Address:** Lion K.R. Venkataachalam, M.Phil., spoke on "Recent Concepts in Transfusion Medicine," highlighting the latest developments and the importance of voluntary blood donation.
- **Presidential Address:** Dr. K.R. Muthusamy and Dr. S. Senthil Arasu encouraged student participation in social causes.
- **Vote of Thanks:** Mr. K. Anand appreciated the dignitaries, faculty, and students for their support.

### Key Takeaways:

1. Importance of voluntary blood donation in society.
2. Insights into modern transfusion medicine.
3. Active student and faculty participation in social responsibility initiatives.

### Outcome:

- Increased awareness of blood donation and transfusion medicine among students.
- Enthusiastic response from students and staff towards future blood donation camps.
- Strengthening the culture of voluntary blood donation among youth.

### Acknowledgments:

Heartfelt thanks to **Lion K.R. Venkataachalam**, Director, Principal, faculty, and event coordinators **Mr. M. Vikram** and **Mr. P. Panneerselvam** for the successful organization.
