

PONGAL CELEBRATION

The Department of Basic Engineering organized a grand Pongal Celebration on 11th January 2025 in front of the main building. The event, held with the objective of fostering cultural awareness and unity among students and staff, was a resounding success. The festivities began at 10 AM, with traditional decorations such as colorful kolams (rangoli), sugarcane arrangements, and earthen pots that created a vibrant and festive atmosphere. As part of the celebration, a variety of Pongal Games were conducted to engage students and encourage participation. The games such as Uriyadithal (for boys), a traditional pot-breaking game filled with excitement and energy. Rope Pulling (for boys), which showcased teamwork and strength. Water Filling (for girls), a fun-filled game testing precision and speed. Lucky Corner (for girls), which added an element of surprise and entertainment.

The winners of the games were recognized and awarded during the Prize Distribution Ceremony, which was graced by Dr. K.R. Muthuswamy, Director of SPC, and Dr. S. Senthilarasu, Principal (I/c). The first-year staff members were appreciated for organizing the event with great enthusiasm and dedication.

The celebration concluded with the distribution of the traditional Pongal dish to all participants and attendees, symbolizing unity, gratitude, and prosperity. The Pongal celebration was a delightful and memorable event, reflecting the rich cultural heritage of Tamil Nadu while fostering a sense of togetherness among students and faculty members.
