Seminar on "Mindset is Everything" - A Transformational Session for First-Year Diploma Students

The Department of Basic Engineering at Sakthi Polytechnic College organized an inspiring seminar titled "Mindset is Everything" on 23rd December 2024 at Sakthi Auditorium. The event aimed to motivate first-year diploma engineering students as they embarked on their second semester, fostering a positive mindset for academic and personal success. The event was coordinated by Dr. R. Kannan Lecturer/ Physics and Dr. R. Jothimurugan, Lecturer/ Physics and the seminar provided a transformative experience for the students, setting a strong foundation for their academic journey ahead.

The session commenced with a welcome address by Mr. M. Vikram, Lecturer in Mathematics, who emphasized the significance of a mindset in achieving excellence. The inaugural address was delivered by Dr. K. R. Muthuswamy, Director of Sakthi Polytechnic College, who highlighted the importance of continuous learning and self-improvement. This was followed by a special address from Dr. S. Senthil Arasu, Principal (i/c), who encouraged students to embrace challenges with a growth-oriented attitude. Mr. P. Panneerselvam, Lecturer in Mathematics, introduced the Chief Guest, Dr. N. Prabhu, Professor and Head, Department of Physics, Excel Engineering College, Komarapalayam.

Dr. N. Prabhu delivered an insightful keynote speech on how mindset plays a crucial role in shaping an individual's academic performance, career, and personal growth. He emphasized strategies for developing a positive attitude, resilience, and goal-setting to unlock one's true potential. His engaging talk left a lasting impact on the students, inspiring them to approach their studies with renewed enthusiasm. The event concluded with a heartfelt vote of thanks by Mr. K. Anand, Lecturer in Chemistry, expressing gratitude to the management, faculty, and students for making the seminar a grand success.
