

NATIONAL SCIENCE DAY CELEBRATION

Report on National Science Day – 2025

The Department of Basic Engineering at Sakthi Polytechnic College organized the National Science Day celebration on 28th February 2025 with great enthusiasm. Sponsored by the Indian Society for Technical Education (ISTE), the event aimed to inspire scientific curiosity, creativity, and innovation among students. The program commenced with an inaugural session at Sakthi Auditorium, where the Chief Guest, Dr. K. Paramasivam, Professor of EEE at Kumaraguru College of Technology, delivered an insightful speech on the role of science and technology in shaping the future. He emphasized India's significant contributions to scientific advancements and the importance of research and innovation. The session was presided over by Dr. S. Senthilarasu (Principal i/c), who also shared his thoughts on the occasion.

As part of the celebration, several competitions and activities were conducted to engage students in scientific exploration. The Oratorical Competition encouraged participants to express their thoughts on topics such as India's space missions, scientific advancements, and their vision as future scientists. The Drawing Competition provided a platform for students to showcase their artistic skills on themes like Green Technology, Artificial Intelligence in Science, and Sustainable Energy.

The Science Project Modeling Competition witnessed enthusiastic participation from both internal and external students, who demonstrated their innovative ideas through working models. These projects were evaluated based on novelty, originality, and presentation. Additionally, the Science Meme Creation Competition blended humor with scientific concepts, allowing students to convey complex ideas in an engaging and creative manner.

The event successfully fostered scientific curiosity and provided students with an opportunity to showcase their knowledge and creativity. The winners were honored with certificates and awards, while all participants received certificates of appreciation. The organizers expressed their gratitude to the management, faculty members, students, and ISTE for their support in making the event a grand success.
