Pongal Celebration: The Department of Mechanical Engineering in our institution celebrated the joyous festival of *Pongal* on **11th January 2025** with enthusiasm and cultural spirit. The event was a vibrant celebration of the harvest festival, which marks the beginning of the new season and is a time to express gratitude for the year's abundance.

The celebrations were organized by the faculty and students, who came together to create a warm and festive atmosphere in the department. The event was filled with traditional customs, cultural performances, and a sense of unity that truly reflected the spirit of Pongal.

To add to the excitement, fun games were organized. These activities brought out the competitive spirit and encouraged participation from both students and faculty members. The games added an element of fun and teamwork to the celebrations.
