

Report on Educational Visit to Erode Book Festival

Date: 08.08.2025

Venue: CNC Arts College, Erode

The **Department of Metallurgy, Sakthi Polytechnic College**, organized an educational visit to the **Erode Book Festival** held at **CNC Arts College, Erode**, on **08.08.2025**, with the objective of promoting reading habits and enhancing academic and general knowledge among students.

A total of **56 III Year Metallurgy students** participated in the programme. The visit was **coordinated and students were accompanied by faculty members Mr. J. Yuvaraja and Mr. P. Govindarasu**. The programme was systematically planned and carried out in an orderly manner.

During the visit, students explored a wide range of books related to **engineering and metallurgy, competitive examinations, general knowledge, literature, and self-development**. The interaction with publishers and exposure to various publications helped students understand the importance of continuous learning beyond the classroom.

The visit was highly informative and educational. Students actively participated and showed keen interest throughout the programme. The **Erode Book Festival visit proved to be a valuable and enriching experience**, contributing positively to the academic and intellectual development of the students.

The **Department of Metallurgy** expresses its sincere gratitude to the **Management of Sakthi Polytechnic College** and the organizers of the **Erode Book Festival** for providing this beneficial learning opportunity.
