DEPARTMENT OF MECHANICAL ENGINEERING

Welcome Party: The Third Year Mechanical Engineering students warmly welcomed their juniors with a Welcome Party held on **30th June 2025**. The event aimed to create a friendly and encouraging environment for the Second-Year students, helping them feel comfortable and connected within the department.

The program began with a formal welcome address by a third-year representative, followed by motivational words from the HOD in-charge, Principal and Director who emphasized the importance of unity, discipline, and active participation in departmental activities.
