Event Overview:

Rotaract Club of Sakthi Polytechnic College successfully organized a Blood Donation Camp as part of its social service activities. The main objective of this initiative was to create awareness about blood donation and encourage students and staff to voluntarily donate blood for saving lives.

The camp was conducted with the support of trained medical professionals and volunteers. Proper medical screening, safety procedures, and monitoring were strictly followed throughout the event.

Highlights of the Programme:

- Students and staff participated enthusiastically and donated blood voluntarily.
- Medical team ensured safe and hygienic blood collection procedures.
- Donors were provided with refreshments and certificates of appreciation.
- Faculty members and coordinators actively guided and supported the event.
- Photography and GPS-tagged documentation were taken on-site at Appakudal.

Impact:

The camp created strong awareness among the students about the importance of blood donation and its role in saving lives. A significant number of units were collected, which will benefit patients in emergency medical needs.
