

DEPARTMENT OF COMPUTER ENGINEERING

CIICP Course:

During the summer vacation, the Department of Computer Engineering organized a 10-day CIICP course on C Programming for second-year students from **19/05/2025 to 10/06/2025**. A total of 20 students actively participated in the program. The program was coordinated by Mrs. U.Saileela, Lecturer, Department of Computer Engineering. The course focused on fundamental concepts of C programming along with hands-on practical sessions to improve coding skills. At the end of the course, a final assessment was conducted, and certificates were awarded to all successful participants in recognition of their achievement.

CIICP Course:

During the winter vacation, the Department of Computer Engineering organized a 10-day CIICP course on Java Programming for second-year students from **18/11/2025 to 22/12/2025**, with 29 students actively participating. The program was coordinated by Mrs. K. Anusuya, Lecturer, Department of Computer Engineering. The course covered fundamental Java concepts along with practical sessions designed to enhance programming skills. At the end of the course, a final assessment was conducted, and certificates were

awarded to all successful participants in recognition of their achievement and dedication.
