

FORUM MEETING

The Department of Instrumentation and Control Engineering of Sakthi Polytechnic College, Sakthi Nagar, organized a forum meeting on the topic **“Smart Sensors and Industrial IoT”** on **23.02.2026**. The session featured **Mr. B. Ramraj, M.E., Assistant Professor (EEE), Nandha Engineering College, Perundurai**, as the guest speaker. He delivered an insightful lecture on the role of smart sensors in modern industrial automation and explained how Industrial Internet of Things (IIoT) technologies enhance real-time monitoring, data acquisition, predictive maintenance, and process optimization in various industries. The program provided students with valuable practical knowledge about emerging trends, real-world applications, and career opportunities in smart sensing and IIoT, making the session highly informative and beneficial.
